About

Design Strategist crafting intuitive, human-centered experiences that simplify complexity and connect users, business, and technology.
Blending a gamer's mindset with a traveler's curiosity to create minimal, high-impact designs focused on flow, clarity, and engagement.

Work Experience

Idealake Information Technologies Pvt. Ltd.

Sr. Ui UX Designer | October 2024 – At Present

Designed end-to-end UI/UX solutions for web projects, translating business and user needs into intuitive, visually engaging experiences.
Led and mentored a team of designers, ensuring quality, consistency, and timely delivery across projects.

Contributed to client pitches and stakeholder discussions through research, ideation, and clear design communication.

Idealake Information Technologies Pvt. Ltd.

UI UX Designer | July 2023 – October 2024

Focused on crafting user interfaces and experiences for websites, with a track record of leading teams to deliver design projects on time. Passionate about translating complex requirements into intuitive, visually compelling designs that drive user engagement and business outcomes.

PivotRoots (Advertising & Marketing Agency)

UI UX Designer | Jan 2022 – jun 2023

- Collaborative team player experienced in client pitches and requirements gathering. Delivered design solutions across 6+ projects in agency, e-commerce, B2B, and healthcare sectors. Led teams, ensured timely, high-quality results, and handled user flows, sitemaps, personas, and wireframes.

Glue Lagoon interactive (Digital Agency)

UI UX Designer & Frontend Developer | Aug 2019 – Jan 2022

- Created Minimal designs to meet specific requirements such as quick-loading sites with particular layouts.
- Effectively coordinating with clients and comprehending their challenges to devise viable solutions.
- Developed websites using HTML, CSS, Javascript, Wordpress, Magento
